Virtual Fireside Chat

Welcome

Sergio Strozzi, *Consul General of Italy in San Francisco*

Fireside Chat

Pierluigi Paracchi

member of **Federchimica Assobiotec's** Executive Committee and Coordinator Start-ups & SMEs' Area, **CEO Genenta Science (Nasdaq:GNTA)**

dialogues with

Christoph Westphal, MD, PhD

Co-founder and General Partner of Longwood Fund (Boston)

He has spent over 20 years as a biotech CEO, entrepreneur, and investor.

Dr. Westphal has been the co-founder, CEO, and lead investor of several biotechnology companies that have completed initial public offerings (IPOs) and created sustained market value of over \$45 billion and have developed and received FDA approval for over 10 important drugs.

Alessandra Biffi, MD

Full Professor of Pediatrics, University of Padua and Director of U.O.C.

Pediatric oncology

is the Chief of the Pediatric Hematology, Oncology and Stem Cell Transplant Division at Padua University and at the Padua University Hospital since October 2018, and coordinates the Research Area on Onco-Hematology, Stem Cell Transplant and Gene Therapy at the Pediatric Research Institute in Padua. She deposited multiple international patent applications in the field of HSC gene therapy, most of which have been licensed in the context of industrial partnerships.
